4th level abjuration

⚙ Casting Time: 10 minutes

🎯 Range: 120ft

⌚ Duration: 24 hours

You make an area within range magically secure. The area is a cube that can be as small as 5ft to as large as 100ft on each side. The spell lasts for the duration or until you use an action to dismiss it. When you cast the spell, you decide what sort of security the spell provides, choosing any or all of the several properties.

See PHB for more information.

At Higher Levels: When you cast this spell using a spell slot of 5th level or higher, you can increase the size of the cube by 100ft for each slot level beyond 4th. Thus you could protect a cube that can be up to 200ft on one side by using a spell slot of 5th level.
