Illusion cantrip

- ⚙ Casting Time: Action
- 🎯 Range: 30ft
- ⌚ Duration: 1 minute

You create a sound or an image of an object within range that lasts for the duration. The illusion also ends if you dismiss it as an action or cast this spell again. If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a lion's roar, a beating of drums, or any other sound you choose. The sound continues unabated throughout the duration, or you can make discrete sounds at different times before the spell ends. If you create an image of an object—such as a chair, muddy footprints, or a small chest—it must be no larger than a 5ft cube. The image can't create sound, light, smell, or any other sensory effect.

See PHB for more information.
